In 2006, the Bank had exchanged certain assets with SASF for equivalent value. A view has now been taken that the further transfer of assets by the Bank to SASF is not within the scope of SASF trust deed and, hence, Special Securities of GOI to the extent of ₹1064.27 Crore (representing net impact of the asset exchange) need to be surrendered by the Bank. The Bank is in discussion with GOI for providing for the surrender of the securities over a period of eleven quarters. Awaiting GOI's response in this regard, the Bank has provided ₹ 96.75 Crore during the quarter, being 1/11th of ₹1064.27 Crore.
