In our opinion and to the best of our information and according to the explanations given to us, these standalone financial results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard except for disclosures relating to Pillar 3 under Basel III Capital Regulation", "Leverage Ratio" and "Liquidity Coverage Ratio" as have been disclosed on the Bank's website and in respect of which a link has been provided in the financial results and have not been audited by us; and
- b. gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards, the relevant provisions of the Banking Regulation Act, 1949, RBI guidelines and other accounting principles generally accepted in India of the net profit for the quarter and net loss for the year ended March 31, 2020 and other financial information.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with

these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

### **Emphasis of Matter**

We draw attention to Note 4 and Note 5 of the accompanying standalone financial results, which describes the business uncertainties due to the outbreak of SARS-CoV-2 virus (COVID-19). In view of these uncertainties, the impact on the Bank's results is significantly dependent on future developments.

Our opinion is not modified in respect of this matter.

### **Board of Directors' Responsibility for the standalone Financial Results**

These standalone financial results have been compiled from the standalone annual financial statements. The Bank's Board of Directors are responsible for the preparation and presentation of these standalone Financial Results that give a true and fair view of the net loss and other financial information in accordance with the recognition and measurement principles laid down in Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI guidelines) and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act and Banking Regulation Act, 1949 for safeguarding the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Results, the Board of Directors are responsible for assessing the Banks's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Bank.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the standalone Financial Results as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the financial statements on whether the entity has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Bank to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Results, including the disclosures, and whether the standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
